What a way to start off the New Year. We saw some good quality cattle hit the ring, and all classes of cattle where in demand. Buyers showed no hesitation in their bidding, pushing the market as high as we have seen in previous years. The overall average price per pound was \$5 higher with some tops in the market being \$5 to \$30 higher. As for the packer market, it showed some more demand starting out the New Year. High #1 cow was \$87 and top bull was \$107. Overall it was a great day to be a seller at Karnes City Auction LLC.
