We ended February with a very positive note. Feeder steers and Heifers remained steady to \$5cwt to \$10cwt higher on some classes of cattle. This is the 4th week in a row we have seen this market climbing higher. Brings in positive feelings for the upcoming months. Packer cows sold \$2cwt to \$4cwt higher this week with high packer cow bringing \$1.02. That's a good ticket a cull cow. Packer bulls remained steady. Thank you to each one of our buyers and sellers!!
