Some plainer and hard to place lower grade calves fall below these figures.

What a good solid way to begin the month with. Market on the feeder steers and heifers remain strong and active on all classes. May even a touch higher on #1 quality cattle. Packer cows remain steady. As for packer bulls they have gained some ground with high yielding bull brining \$125 Cwt. . Overall, it was a good day to be a seller up on the hill at Karnes City Auction.
