Wow what a great consistent solid market we had Saturday. The cattle quality was great and many of cattle had a touch of condition which always helps. Feeder steers and heifers remained steady to active with a few classes being \$2 to \$4 cwt higher. We saw a lot of activity on the #600 up cattle on both the heifer and steer side of the market. Packer cows and bulls remained active to a few dollars cheaper on cows. Overall, it was a solid consistent market and a great day to be a seller at KCA.
