What a great way to end the Month of September. We appreciate everyone who came out and spent the day with us celebrating our 1-year anniversary. The market remained steady to a touch softer in some classes. Most classes had good demand overall. We saw a lot of activity in the #500 to #600 class of cattle. Packer market is cheaper overall. #2 cows have dropped \$5 to \$15 cwt #1 cows have dropped \$2 to \$5 cwt. Bull market was a touch softer as well, as the packers start to see big numbers coming out of the mountains of the United States.
