**Some plainer and hard to place lower grade calves fall below these figures. **

Another great week up on the hill at KCA. Feeder steers and heifers are coming in high demand across the board. With much needed rainfall, the supply is running short, which as always increases demand. We call this week’s market \$5 to \$15 higher in some classes. Packers remain active closing out dollars higher on all classes of cows. We didn’t have any high yielding bulls to test the market.
