Another great sale for the month of December. Numbers came to town and the quality didn't disappoint. Feeder steers and heifers traded Steady to Active on the #550 down cattle and steady to a touch cheaper on the heavier calves. We also saw some new Highs in this week's report as well. Therefore, we see that the quality in the cattle is still in great demand. Packer cows and bulls were a touch softer this week, but still dollaring out nicely.
