**Some plainer and hard to place lower grade calves fall below these figures. **

Quality had a big role in the market this past Saturday. We had a great run of worked calves coming through the ring and the buyers took notice. Feeder steers and heifers sold Steady to active comparing this week's market report \$5 to \$20 higher in some classes. Packer cows and bulls sold Steady and still dollaring out nicely. Overall, it was a great Day to be a seller at KCA.
